

**9-19. Revision or Modification of State Underground Injection Control (UIC) Program (1200 TN 101 9-19)**

**1. AUTHORITY.** To approve a revised or modified State program when circumstances have changed with respect to a State program as required under Section 1422 of the Safe Drinking Water Act (SDWA).

**2. TO WHOM DELEGATED.** Director, Water Division (WD).

**3. LIMITATIONS.** This delegation does not include substantial program revisions such as changes to the State's statutory or regulatory authority which call into question the State's authority or ability to administer the program, transfer of program from one State agency to another, and program changes that would result in State requirements less stringent than Federal requirements.

**4. REDELEGATION AUTHORITY.**

- a. This authority may be redelegated to the branch chief level and may not be redelegated without formal amendment.
- b. An official who redelegates an authority retains the right to exercise or withdraw the authority. Redelegated authority may be exercised by any official in the chain of command down to the official to whom it has been specifically redelegated.
